

# Neighbourhood Watch is active in your area!

## How does Neighbourhood Watch work?

We bring neighbours together, with a joint purpose of increasing neighbourliness, community spirit and reducing opportunities for crime by creating a stronger community. By sharing and acting upon crime prevention advice, you can play an important role in helping us to reduce crime or fear of crime in your area.

**Your local scheme Coordinator** is currently seeking neighbours to join their local scheme. Join our 2.4 million members in England and Wales to create a stronger, safer and more resilient community.
